Dear fellow AMCP Foundation Donor,

We're thrilled to unveil the [Managed Care Pharmacy Primer Series](#) — a tribute to Judith A. Cahill, AMCP's pioneering first CEO, who was dedicated to advancing public education of managed care pharmacy.

These articles carry forward her legacy by dissecting vital managed care pharmacy topics, simplifying intricacies, and providing accessible insights to promote more informed decision-making. Whether a health care professional, legislator, or business partner, these tools empower decision-makers to make informed choices, providing strategic insights chosen for their relevance to today's legislative landscape.

Take a look at the first two [primers](#) today.

Sincerely,

Laura E. Happe, PharmD, MPH
