DEVELOPING LEADERS

Congratulations to the 2024 P&T Competition Semi-Finalists Teams

AMCP Foundation congratulates the 16 outstanding pharmacy schools that have advanced to the semi-finals of the 2024 P&T Competition! These exceptional teams will now face evaluation based on their ability to craft a compelling presentation for the P&T Committee. Best of luck to all the semi-finalists as they continue to develop their skills and knowledge and prepare for the finals at AMCP 2024, where five finalist teams will present to a mock P&T Committee!

THANK YOU

Developing Leaders, Enhancing Health

Improving patient health outcomes by developing managed care pharmacy leaders

**Impact
Report**

2023

Presented by
AMCP Foundation

Thank You for a Successful 2023!

Thanks to the generosity of our donors, we are making a meaningful impact by offering managed care resources, enhancing access to care, investing in the future of managed care pharmacy, and fostering crucial research initiatives. Throughout 2023, our successes have spanned from digital initiatives to creating innovative managed care resources and providing grants supporting innovative research addressing health disparities. Learn more about how your support impacted our mission.
