Celebrating 34 Years of Impactful Giving at AMCP Foundation

As we enter the 34th anniversary, AMCP Foundation's journey has been possible thanks to the vital support network created by our donors, volunteers, and partners. We recognize and thank our Founders and Board of Trustees, whose vision and leadership drive and inspire our efforts today.

Here's to many more years of making a difference and shaping the future of managed care pharmacy together!

Whether this is your first time, or you are a loyal contributor, we thank you for supporting our mission and invite you to celebrate with us.

2024 AMCP Foundation Interns.

We are incredibly excited to welcome the 2024 AMCP Foundation intern cohort! This summer, 11 talented student pharmacists are interning in our immersive programs supported by our esteemed partner organizations: AbbVie, Moda Health, Novo Nordisk, Pfizer, and Sanofi.

The 2024 cohort works alongside managed care pharmacists at our volunteer host sites, contributing to meaningful projects and absorbing knowledge across diverse managed care pharmacy sectors. This experience promises to be an invaluable part of their professional development, and we look forward to their poster presentations at AMCP Nexus 2024. [Get to know our 2024 intern cohort!](#)

MANAGED CARE PHARMACY PRIMER SERIES 507

A primer on brand-name prescription drug contracting

James T. Kenney, RPh, MBA; Shellie Keast, PharmD, PhD

Abstract

Prescription drug contracting in the United States has evolved over decades from discounts provided to members of early health maintenance organization plans to rebate contracts to more complex value-based purchasing arrangements. This primer describes the history of contracting between pharmaceutical manufacturers and managed care pharmacy organizations and details the various contracting methods used today.
