RESEARCH PROJECTS

- Each intern will be under the supervision of a preceptor from the AbbVie Global HEOR Department.
- Interns will complete an HEOR related research project.
- Research findings will be presented at AMCP Nexus 2021.

INTERNSHIP REQUIREMENTS

- Currently enrolled as a full-time Doctor of Pharmacy degree student in an ACPE-accredited school or college of pharmacy with anticipated graduation in 2022 or 2023.
- Candidates must submit an online application, two letters of recommendation and a letter of good academic standing from their institution including cumulative GPA.
- Must be eligible for employment in the U.S.

This annual internship reflects the commitment of the **Academy of Managed Care Pharmacy Foundation** and **AbbVie, Inc.** to fostering health care leadership through student pharmacist education and to improving the quality of patient care in the managed care pharmacy setting. This program is administered by AMCP Foundation.

SPECIALIZED SUMMER INTERNSHIP IN HEALTH OUTCOMES

2021 INTERNSHIP OVERVIEW

This internship stimulates student pharmacists' interest in career options in health outcomes and pharmacoeconomics through exposure to research, measurement and applications to evidence-based decision-making. In addition, the interns will gain knowledge of the pharmaceutical industry and managed health care systems, plus complete a rotation at AMCP/ Foundation HQ.

Interns, through their work with the AbbVie Global Health Economics and Outcomes Research (HEOR) Department, will gain exposure to:

- The importance of health outcomes in the development and marketing of a pharmaceutical product
- The process of drug discovery
- The process of drug development through the various phases of clinical trials
- Economic, clinical and humanistic outcomes-measurement techniques
- AMCP Format-based product dossier development and its use in the formulary decision-making process.

This program is made possible through the generous support of AbbVie, Inc.

2020 CAPSTONE PROJECTS:

- *The Economic Burden of Major Depressive Disorder: A Systematic Literature Review*
- *Patient's Experience of Living with and Managing Presbyopia: A Systematic Literature Review*
