

August is National Make-A-Will Month and having the right resources is required to get your financial affairs in order. Regardless of your wealth, you should have a will to give your loved one's peace of mind and alleviate complications that can arise upon one's passing. Our [planned giving website](#) has the tools you need to draft or update your will to safeguard your final wishes.

You may have already taken the initiative to create a will or set aside money for retirement. In this eNewsletter, we'll help you harness the power of your estate plan to achieve your goals. Use our resources to start planning and make your to-do list, including creating a charitable legacy.

We welcome any questions you may have about the materials and suggestions on estate planning topics you would like to read about in future issues. Please do not hesitate to contact us!

Thank you so much for your ongoing support.

With our best wishes for health and hope,
Paula, Ebony, and the AMCP Foundation team
